### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance:

Claim 14 was allowed because the prior art of record does not teach or render obvious the total combination claimed, including a printer wherein the main body further includes a slope, the slope disposed at a place opposing the standby position, and the movable blade is pushed to the slope by the spring mechanism, moves along the slope, and contacts the side surface of the stationary blade.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
